

**THE LGL KICK OFF**

The month of February was marked as the kick-off month for INJAZ Pakistan's new project Let Girls Learn in collaboration with USAID. Alliances were formed with Basic Needs, Al-Rehman Welfare Trust, Pakistan Fishermen Forum, Kohi Goth Women's Hospital, SMEDA, Kiran School Liyari, HOPE, and a few more organizations in order to do community outreach to recruit young women as beneficiaries for the project.

**OUR FIRST LGL OPEN HOUSE**

INJAZ Pakistan held its first open house on 23rd February where 20 short listed females along with their parents and family members were invited to brief them about the two-month project. An orientation with a presentation on the program was given, later followed on by an open Q/A session in order to answer any queries of the concerned household members. The turnout was amazing as almost all beneficiaries showed up and the en-

**COMPANY PROGRAM COMPLETED AT ICCBS**

This February INJAZ Pakistan successfully completed Company program with 12 teams at International Center for Chemical & Biological Sciences (ICCBS), University of Karachi, an incubation center in the academic institute. Linking theory and practice, students acquired the knowledge and skills that are essential in managing a viable business.

**OUR 'SUPERHERO' OF THE MONTH**

**FAHAD AHMED**

RVP-Project Manager, Faysal Bank & President, PMI Karachi Chapter

Fahad is a seasoned technology professional with over ten years of experience in the field of Project Management, Stakeholder Management, Business Analysis, Requirement Management and Process Improvement.

In a short span of time Fahad has already played a big role in helping INJAZ Pakistan give back to society. Besides working at Faysal Bank in the capacity of RVP, Project Manager he is an active member of PMI, Karachi chapter and just recently has been appointed President of PMI.

**FEATURED ALUMNI**

JAWWAD FAROOQ - TCS PAKISTAN

Jawwad Farooq did Head start with INJAZ Pakistan and was registered for a diploma at MITI. He based on his performance during INJAZ Pakistan's head start program was shortlisted for an interview for TCS. He was successful in clearing the interview and was hired by TCS. Jawwad gives INJAZ team the credit for him being recruited by TCS. He has now left TCS Pakistan for better opportunities.

**COMPANY PROGRAM AT BAHRIA UNIVERSITY**

On the 18th of February, INJAZ Pakistan kicked off their Company Program 2017 at Bahria University. We are working with a total of 8 teams, approximately 20 students. These teams are made of students from various backgrounds like engineering and business.

The volunteer, Mr. Imran, himself is not only an entrepreneur but also a trainer on his own. He has worked with SMEDA and various other institutes involved in impacting the youth of Pakistan. He has launched his own healthy drinks company recently by the name of Western Drinks.
